THE DIRECTOR OF CENTRAL INTELLIGENCE

WASHINGTON, D.C. 20505

NIC# 10445-82
23 December 1982

National Intelligence Council

MEMORANDUM FOR: Director of Central Intelligence
Deputy Director of Central Intelligence

FROM : Chairman, National Intelligence Council

SUBJECT : NIC Activity Report for 20-23 December 1982

I. DCI/DDCI-Assigned Tasks

All NIOs completed memos describing various possible contingencies in their areas of responsibility; compilations of the memos were provided to the DCI, DDCI, and DDI. The various items mentioned on each list will be the subjects of brief papers in early 1983.

II. Interagency Papers

Draft estimates on [redacted] and the high technology arms market were approved at the NFIB meeting on 21 December.

The IIMs on [redacted] was fully coordinated by the end of the week and sent to C/NIC for final approval.

The draft Atlantic Bridge estimate will be discussed in NFIB Reps' coordination meetings beginning on 28 December, with a view toward having it ready for NFIB in January. Other draft papers with January NFIB targets include the monitoring, India, and Soviet strategic NIEs.

III. Of Special Interest This Week

Chairman, NIC met with General Rowny to discuss the latter's views on the START negotiations. Rowny described his view of a possible agreement that might be reached next year.

C/NIC and NIO/Economics met with Under Secretary of State for Economic Affairs Allen Wallis to discuss support for the set of East-West studies to be done with the Europeans. Main impression: State is not in good shape on this one; however, we have a lot of material that we can support State with and are working with Wallis and his people.
